STOP SALE NOTICE

Dear Ferrari Dealer:

Following on the STOP SALE NOTICE sent on June 30, 2015 we are now able to inform you of the Vehicle Identification Numbers that are included in the **SAFETY DEFECT RECALL** to correct potentially improperly manufactured Driver's Side Airbag modules.

Attached to this letter is a list of VINs for your dealership. Any vehicle not listed can be sold and delivered as per normal business with the exception of LaFerrari units.

Please note: ALL LAFERRARI UNITS REMAIN ON STOP SALE UNTIL FURTHER NOTICE.

It is a violation of Federal law for a dealer to deliver a new motor vehicle covered by this notification under a sale or lease until the defect is remedied.

Further information will be forthcoming in the next few days. Ferrari is working with the supplier in order to source the parts necessary for the recall in a timely fashion.

The necessary technical information will be delivered as soon as possible.

Please contact your Area Business Manager if you have any questions.

Regards,
